

C7 Corvette Seatbelt Stay (SED-C7-050-01)

Revised: August 3, 2017

Installation Instructions

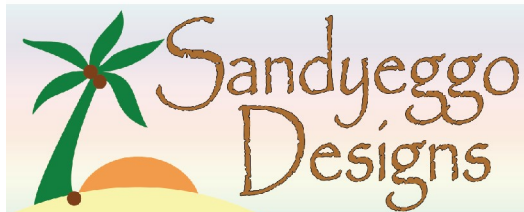

Tools: None
Skill Level: Easy

C7 SEATBELT STAY SED-C7-050-01

To install, push the C7 Seatbelt Stay over the existing seat belt retainer lip **until it clicks into place.**

- IMPORTANT:** After installation, make sure your seat belt slides freely through the retainer. Periodically re-check your C7 Seatbelt Stay for fitment and function.
