

C7 Corvette Dash Storage Shelf (SED-C7-011-00)

Revised: June 12, 2016

Installation Instructions

Tools: None

Skill Level: Easy

- 1) Simply insert the shelf into the dash storage space as shown below.
- 2) The shelf fits tightly via friction. No screws or other attachment means are needed.
- 3) **IMPORTANT:** Do not close the dash storage sliding door until you are certain the shelf is completely pushed to the rear of the compartment. If the shelf is not all the way in the compartment, the sliding door may jam against the shelf face.
